FINDING

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:

Conspiracy to Distribute and Possess with Intent to Distribute Oxycodone, in violation of Title 21 U.S.C. §846, 841(a)(1), (b)(1)(C), as charged in Count 1 of the Ten-Count Indictment.

JUDGMENT
AND PROB/
COMM
ORDER

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of:

12 months and 1 day.

It is ordered that the defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Guideline Section 5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The drug testing condition mandated by statute is suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

Upon release from imprisonment, the defendant shall be placed on supervised release for a term of 3 years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the U. S. Probation Office and General Order 05-02;

2. During the period of community supervision the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment;
3. When not employed or excused by the Probation Officer for schooling, training, or other acceptable reasons, the defendant shall perform 20 hours of community service per week as directed by the Probation Officer; and
4. The defendant shall cooperate in the collection of a DNA sample from the defendant.

It is further ordered that the defendant surrender himself to the institution designated by the Bureau of Prisons on or **before 12 noon, July 22, 2011**. In the absence of such designation, the defendant shall report on or before the same date and time, to the United States Marshal located at the Roybal Federal Building, 255 East Temple Street, Los Angeles, California 90012.

The Court declines to exercise its discretion to deny the defendant the benefits covered under Title 21 U.S.C. §862. It is the assessment of the Court that any such suspension would be counter-productive to the defendant's rehabilitation upon release.

On Government's motion, all remaining counts are ordered dismissed.

The bond is ordered exonerated upon defendant's self-surrender.

The defendant is advised of the right to appeal.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
